

Product: **CQteric CAPB 35**

Item Number: 418333

INCI Cocamidopropyl Betaine

CAS # 61789-40-0

DESCRIPTION CQteric CAPB 35 (Cocamidopropyl Betaine) is a mild amphoteric surfactant. It is widely used for its excellent foam-boosting, cleansing, and conditioning properties. CAPB is valued for its gentle nature, making it suitable for sensitive skin and hair formulations while improving product stability and performance.

APPLICATION

Personal Care: Surfactant in shampoos, body washes, facial cleansers, and baby products for mild cleansing and rich foam; provides conditioning benefits in hair care formulations; enhances product viscosity and stability

Household Cleaning: Used in dishwashing liquids, laundry detergents, and surface cleaners for its effective cleaning and foaming properties with low irritation potential

Industrial Cleaning: Included in degreasers and hard-surface cleaners for enhanced soil removal while maintaining mildness on contact

Agriculture: Wetting and dispersing agent in agrochemical formulations for improved application and penetration

TYPICAL PROPERTIES

Appearance	Clear liquid
Color (APHA)	200 Max.
Solids (%)	34.0 – 36.0
pH	6.0 – 7.0
Active Matter (%)	29.0 – 31.0
Sodium Chloride (%)	4.5 – 6.0
Free Amine (%)	0.50 Max.

HANDLING & STORAGE Store in original sealed container in a cool, dry, and well-ventilated area. Keep away from direct sunlight. Handle in accordance with good industrial hygiene and safety practices.

PACKAGING 200 KG DRUM; 1,000 KG TOTE
