Mounting	Table Top
Lamp (Bulb) Description	1 COB LED 2700K CRI 93 - 28W DIMMER
Environment	Indoor - Dry Location
Finish	Anodized Bronze
Technical and Product Description	The TACCIA was designed by Achille and Pier Giacomo Castiglioni in 1962.

The TACCIA table lamp has a concave spun aluminum reflector with a matte white finish. The light can be adjusted by positioning the blown glass diffuser as required. The base is made from extruded aluminum and is available in an anodized matte black or natural sandblasted finish.

This TACCIA emits reflected light. This modern table lamp is available in black, anodized aluminum and anodized bronze

Inspiration Behind the Design:

Achille and Pier Giacomo Castiglioni's industrial background in designing is very evident in this table lamp. The Taccia is the perfect example of their minimalist approach to refurbishing everyday functional objects.

Electrical

Voltage	100-240V
Switching	Dimmer switch that provide ON-OFF functions and 10-100% light adjustment with memory
IP Rating	IP20

Physical

Cord Length (inches)	94
Construction Material	Aluminum, Glass
Weight	24.25 lbs

F6602046 Anodized Bronze
