Flex Tip™ Mats

Scraper Mats • Outdoor

Flex Tip mats feature thousands of finger-like tips designed to scrape dirt from shoes.

- **Clean** – 2,000 finger-like tips per square foot effectively remove dirt while deep wells hold it to minimize tracking
- **Safe** – OSHA-compliant beveled edges ensure a safe transition from floor to mat
- **Comfortable** – Finger-like tips provide excellent anti-fatigue qualities
- **Easy to Clean** – Flexible design ensures easy handling and cleaning (shake off soil and hose off)
- **5/8” thick natural rubber construction makes this a substantial mat that is unlikely to move, even with heavy winds**

Note: Mat sizes are approximate as rubber shrinks and expands in conjunction with temperature and time. Tolerable manufacturing size variance is 3-5%.
