

15 kVa 3 PHASE DIESEL GENERATOR

LDG15S3-UK
 LDG15S3-EU

| | |
|-----------------------|---------------------------------|
| Max AC output: | 13000* Watts |
| Noise Level: | 75 dBA @ 7m |
| Running Watts: | 12000 Watts |
| Warranty: | 2 years |
| Certification: | ISO9001-2000, GS, TUV, UKCA, CE |

i DESCRIPTION

Bimson Power's new LDG15S3 model, now equipped with increased engine power of up to 12000 Running Watts that is 3-phase ready.

The LDG15S3 features an Automatic Voltage Regulator (AVR) control system, diligently overseeing power output and safeguarding the unit against voltage fluctuations, ensuring a seamless and stable sine wave.

With a generous 35-liter fuel tank, this Bimson Power generator offers a runtime up to 20 hours at around 50% load, making it an ideal choice for various applications, including domestic supply, construction, catering, and industrial use.

As a dependable standby generator, it is indispensable during power outages. It comes complete with ATS Ready functionality, making it compatible with our ATS (Panel sold separately). ATS Ready ensures automatic startup when a power drop or total loss is detected.

***Please note: When running single phase off a three phase generator you will only receive approx 30-35% of the full output power as the socket will only be running via one of the three phases available.**

MEGAPHONE FEATURES

- Max 13000 Watts
- 415v Three Phase / 240v AC load
- Up to 20 hours run time at 50% load
- 75 dBA at 7m
- 3 in 1 Intelli Volt Meter
- Electric key start
- ATS Input Socket
- Low oil shut-off sensor
- Automatic Voltage Regulator (AVR)

✓ SPECIFICATIONS

| | |
|--------------------------------|---|
| Max Watts | 13000 |
| Rated Watts | 12000 |
| AC Load | 1 x 240V 16 Amp (UK/EU) 1 x 240V 32 Amp (UK/EU) 1 x 415V 32 Amp (UK/EU) |
| Frequency | 50Hz |
| Engine | 1064cc, V-Twin 18.7 HP @ 3000 RPM |
| Fuel Type | Diesel |
| Fuel Capacity | 35 Litres |
| Oil Capacity | 3 Litres |
| Noise Level | 75 dBA @ 7m |
| Start Type | Electric Key Start |
| RPM | 3000 |
| Dimensions (L*W*H) | 112 x 72.5 x 86cm |
| Certification | ISO9001-2000, GS, TUV, UKCA & CE Approved |
| Weight (Kg) | 285 |
| Operation capacity (hr) | >20 Hrs @ 50% load |

Complete with ATS input port to link to Bimson Power ATS available separately.
