

## Simply switch on simplicity

Mix simple with powerful and add convenience—and there you have it: a new formula for simplicity. Second-to-none engineering disguised as simplicity itself!

With its vibrant next-generation design, our VP300 now has improved ergonomics on the handle, lock, and bent-end, reducing strain, best-in-class filling capacity, and easy cord management. Simply elevating the user experience ensures powerful productivity. Top features include:

- Colored touchpoints guide the user where to interact with the machine making it easy to use
- Tool-free maintenance makes it easy to access bags and filters
- Foot-reachable power switch and seamless cord management
- Quiet operation expands the cleaning hours without disturbing
- Simple bag replacement
- Selected models are manufactured from 38% PCR (VP300 R)
