

Product Main Number 1010002040

Foam bandage, ABENA Lite, 10x10cm, beige, silicone contact layer, no border, latex free, sterile

- ✓ Low absorption capacity
- ✓ Silicone adhesive layer
- ✓ Without edges
- ✓ Can be cut to size

Product Description

Thin foam dressing with silicone contact layer without edges. The product is used for acute and chronic wounds with low to light exudate. The foam dressing absorbs the excess fluid and maintains a moist wound environment. Is malleable and can be cut into. Can be fixed with a secondary bandage.
