

Hello, I've arrived!

Now that I'm here you are only one
flat-pack away from transforming
your home.

Mocka.

Thank you for supporting us.

We believe design belongs to everyone. From materials and processes to safety testing, production and delivery, we are passionate and committed to bringing you the best possible product so you can create beautifully functional spaces to feel comfortably you.

Here are a few assembly tips before you get started:

Make Time

The first step to all seamless assembly is taking a moment to carefully read through the instructions—you are already on your way to creating a beautifully functional space!

Set The Mood

Put on your favourite playlist, order that pizza and pour yourself a drink to get in the mood!

Tool Check

Layout the instructions, screws and panels to check you have everything you need. A blanket or soft floor rug will help protect your new favourite item from scratches and a drill will speed up the assembly too!

Room Reveal

You did it! Take a step back and enjoy the moment. Don't forget to recycle any packaging and share a pic of your room reveal—we love seeing how you transform your home! **Tag us @mockaaustralia/@mockaanz**

Happy flat-packing!

Phoebe Travertine Base

Floor Lamp

Thank you for your purchase. Please follow the instructions for correct assembly. While we took great effort to ensure these assembly instructions were correct at the time of printing, sometimes, updates are required post production. For the most up to date versions, please refer to the product page on our website. mocka.com.au/mocka.co.nz

Safety Tips

- The external flexible cable or cord of this luminaire cannot be replaced; if the cable or cord is damaged, the luminaire shall be destroyed.
- To avoid injury or damage to the fitting, ensure that power leads and screws are secure before connecting the power.
- Young children should be supervised to ensure that they do not play with the portable lamp.
- Handle the fitting and/or shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.

Care and Maintenance

- Ensure it is on a flat and stable surface.
- This product is suitable for indoor use only.
- Do not place flammable material near or over the fitting.
- Ensure the fitting is not installed in direct line of an air vent/system.
- Damage or corrosion caused by moisture is not a product fault and is not covered under warranty.
- Do not exceed the maximum wattage rating.
- Take care not to pull any electrical wires during unpacking, as this may damage the connection.
- Lay out all the components on a smooth surface and make sure no components are missing before assembling. If parts are missing, return the complete product to Mocka for inspection or replacement.
- Check whether the fitting was damaged during transport. Do not operate/install any product that appears damaged.
- Do not plug into the mains power socket outlet before or during assembly. Only do so after the portable lamp is fully assembled with the globe installed and is ready to use for the first time.
- Globe type E27 - Wattage Max 11W LED

Love it for longer.

Always ensure the power is OFF and the fitting has cooled down before performing any maintenance, cleaning, changing the globe or making any adjustment to the fitting.

To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.

Ensure that the fitting does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.

Caring for our world.

In the interest of our environment, please dispose of all packaging thoughtfully.

Good news, you're all done!
