ATLAS

Irene–5HLK

Designed in 2016

The Irene–5HLK ceiling-mount fan is rustic, yet strikingly modern with five neatly joined, solid wood matte black, matte white, walnut, or barn wood tone blades. A cylindrical motor housing complements its minimal profile. Irene–5HLK is streamline while still appearing warm and natural. Constructed of cast aluminum and heavy stamped steel, the Irene–5HLK has a limited lifetime warranty.

Product Features

- DC Motor
- Damp Location
- Silent
- LED Lamp
- Dimmable Lamp
- Remote Control
- Wall Control
