180IB/50HB63

WEATHERPROOF AND ROBUST

Our 180IB padlock is a weatherproof lock with numeric code ideal for outdoor use.

Whether you are in coastal areas, near ports, or on the high seas, the 180IB ensures reliable security for your valuables. Crafted with a forged brass lock body and a high-quality stainless steel shackle, the lock offers exceptional protection against water. It can only be accessed using a personally set four-digit numerical code.

Technologies

- Body made of solid forged brass
- Shackle made from stainless steel
- 4-digit, individually resettable code
- Inner components made of non-corrosive materials
- Precision locking mechanism with additional tampering protection

Use and application

- Security for items/goods of medium value or where there is an average risk of theft
- Ideal for severe weather conditions (e.g., in sea and port areas, for securing vehicles and boats in outdoor use)
- For securing doors, gates, lockers, tool boxes, cellar windows, sheds, switch boxes, cupboards, etc.

Variants

- Sizes: 1 31/32"
- Long shackle (HB): 180IB/50HB63
