Aqualock 8mm Laminate Tile Silver Steel

A beautiful addition to any room, Aqualock 8mm Laminate Tile Silver Steel is an excellent choice for a chic and contemporary look.

Its embossed in register texture gives it a realistic sophisticated effect, while the v-groove bevelled edges on each board add depth and character to the finished floor.

With an AC5 Commercial rating, and a 30 year residential warranty, you can feel confident installing this durable floor in any space. The simple click system and generously sized tiles make this floor straightforward to fit - even for first time DIYers.

Designed for resilience and easy upkeep, this floor offers 100 hours of moisture resistance, allowing you to mop away any spills with ease.
