1200150-CCB	1 1/2"	2"	10'	15
1200200-CCB	2"	2"	10'	15

Description: Get straighter lines faster, using less effort! The Channel Casing Bead offer a one-piece, clean band detail that eliminates the hassle of butting separate beads together. Crafted for quicker installations and more consistent results, this bead saves time and labor while providing your project with a professional, polished finish.

Advantages: Made from exterior grade PVC. Provides a high impact resistant, rust-proof termination corner.

Applicable Standards: Rigid exterior grade PVC products made by Trim-Tex meet ASTM specifications C926, C1063, C1780, C1861, D1784 and D4216.

Installation: Trim-Tex recommends following established acceptable industry standard installation methods. All butt joints, intersections, and ends should be caulked at the time of installation using elastomeric sealant. When painting Trim-Tex Exterior products, please refer to our painting resources to ensure proper performance and prevent product defects such as warping, oil canning, and buckling.
