

## Exterior Corner Bead Submittal Sheet

STOCK NO.	LENGTH	PCS. PER BOX
EX1	10'	50

**Description:** Trim-Tex Exterior PVC standard corner bead delivers superior reinforcement and durability for exterior stucco corners.

**Advantages:** Made from exterior grade PVC. Provides a high impact resistant, rust-proof straight corner. With large triangular perforations and slotted nailing holes, these corner beads allow for quick and precise installation, helping to achieve straight, clean lines efficiently.

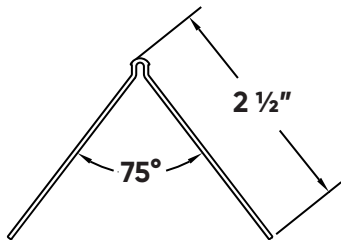

**Applicable Standards:** Rigid exterior grade PVC products made by Trim-Tex meet ASTM specifications C1063, C1780, C1861, D1784 and D4216.

**Installation:** Trim-Tex recommends following established acceptable industry standard installation methods.
