

Ultraline Heavy Duty Gaffer Tape

Peel-and-stick adhesive

Easy to Clean

Faster to install than paint

Lays Flat on Floor

Ultraline Floor Tape is 6 MIL thick and made of Vinyl material with a peel-and-stick, adhesive backing. Ultraline tape does not leave any residue during removal. To apply the tape, peel the liner off and stick it to a clean, dry surface. There is no wait time – industrial wheel traffic can continue immediately. Ultraline tape is meant to replace the use of paint and thinner tapes within the warehouse. This floor tape product is patented.
