Solid Clean M

Solid warewashing detergent

Performance

- ▲ Solid Clean M is an innovative and highly concentrated alkaline solid warewashing detergent
- ▲ Highly effective on the toughest soil, even on tea and coffee stains. Provides sparkling clean results

Efficiency

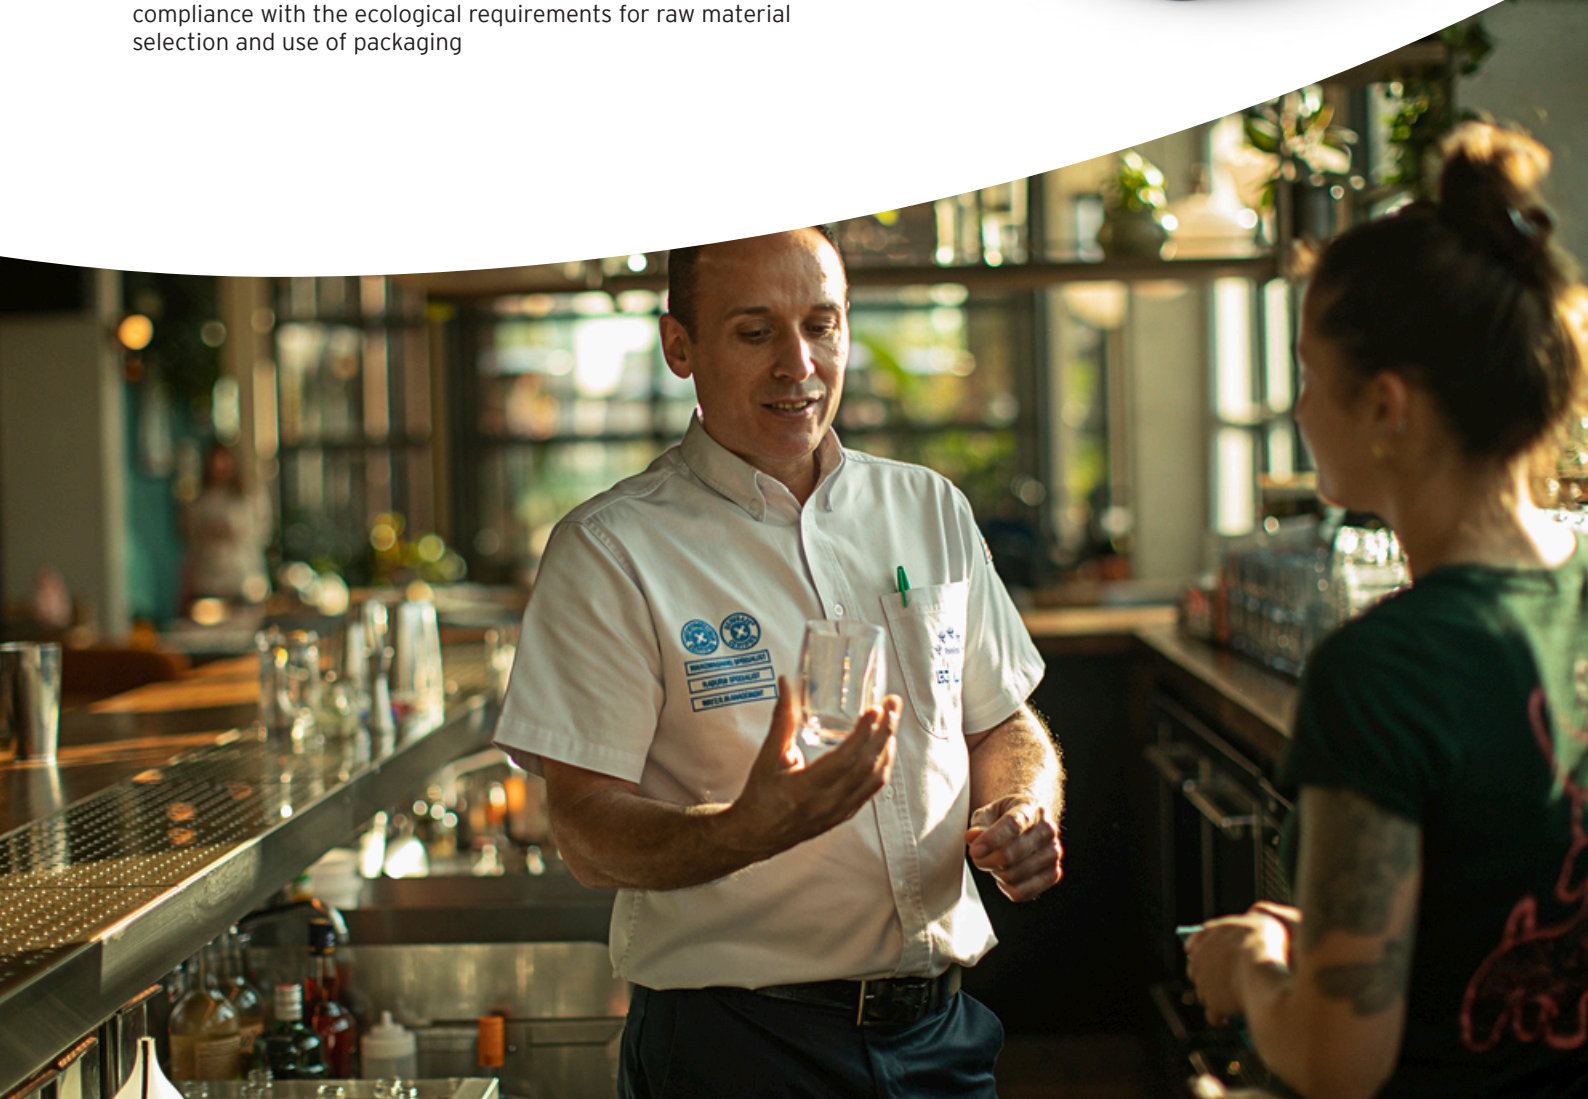

- ▲ For use under medium-hard water conditions
- ▲ Do not use on aluminium and other soft metals
- ▲ One-pass cleaning saves time and money

Safety

- ▲ NTA-, EDTA-, chlorine-, phosphate- and phosphonate-free formula guarantees a high ecological standard
- ▲ In combination with the EcoPlus Future dosing unit the 4,5 kg solid capsule creates the highest operational safety level possible
- ▲ The crushable Foldaway Pack reduces the volume of waste, disposal fees and transportation and thus protects our environment

Sustainability

- ▲ Certified by Nordic SWAN as an ecologically approved product in compliance with the ecological requirements for raw material selection and use of packaging

Use instructions

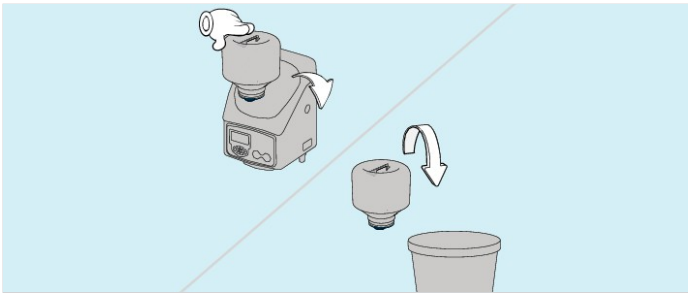

1. Check hygiene plan and product label for detailed use information.

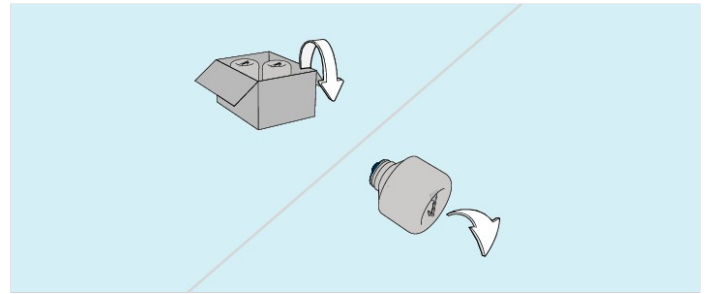

2. Wear suitable protective clothing when handling the product.

3. Refill the product compartment when the alarm sounds and switch the dosing system off by pressing the enter button.

4. Take a new capsule from the box and remove the cap from the capsule, place it with the opening downward in the dosing unit and turn the dosing system on.

5. Remove, crush and dispose of the empty capsule.

Special notes

- ▲ Only for use with Ecolab Dosing Unit. Your Ecolab specialist will adjust the dosing system to your specific cleaning needs.
- ▲ Dosing: 0,3-1,6 g/L
- ▲ For professional use only.

Environmental advice

- ▲ Attempt to wash full racks and machines whenever possible.
- ▲ To avoid under- or over-dosing an Ecolab representative will setup the machine at the appropriate concentration.
- ▲ Wash at the lowest temperature possible resulting in hygienic dishes.
- ▲ Information on disposal of empty packaging: recycle as plastic package

Safety information

- ▲ Do not mix with any other product.
- ▲ For further information and safety instructions, please see the product label and Safety Data Sheet.

Storage conditions

- ▲ Store between 0 °C and 40 °C in the original closed container only.
