- ✓ **Broad range (S-6XL)**

Product Description

ABENA Fix Pants Super are stretchy fixation pants with legs made of breathable, soft material designed to fit the anatomic shape of the body. The pants look and feel like normal underwear. The elastic material and knitted construction hold the pads tight to the body and help preventing leakages. It offers optimal performance for all activity and mobility levels. The seamless knitted technology – an innovative concept for producing clothing almost free of seams – prevents pressure marks and skin irritation. The product can be washed up to a 100 times, which ensures high cost-effectiveness through extended use. ABENA Fix Pants Super offer easy product recognition thanks to the color code both on the packaging and on the inside of the waistbands, providing information about product name, size, washing instructions, and material composition. Made of 97% polyester and 3% elastane.
