- ✓ Approved for food
- ✓ For all types of food
- ✓ 100% odorless
- ✓ Double bottom sealing
- ✓ Minimized plastic consumption
- ✓ Environmentally friendly
- ✓ Suitable for mixed waste

Product Description

The best raw material quality and the special production method for the Supersæk allow a reduction in thickness of up to 50% without compromising on quality and strength. The supersæk is approved for food and therefore suitable for all types of food. The bag is 100% odorless and a strong double bottom sealing protects against leakage. Suitable for collection of mixed waste.
