

ECOLAB®

Renolit Clean S

Eco-labelled Kitchen Multi- Surface Cleaner

Performance

- ▲ High cleaning performance
- ▲ **Renolit Clean S** is a multi-purpose kitchen cleaner for daily cleaning - based on a special combination of surfactants, it quickly removes grease and persistent dirt
- ▲ The product can be used on all types of water-resistant surfaces in the front and back of house such as work surfaces, tables, chairs, e.g. in restaurants and canteens

Efficiency

- ▲ Effective even at low concentrations
- ▲ Material friendly formulation allows use on most water resistant hard surfaces

Safety

- ▲ For increased user safety, **Renolit Clean S** is colour coded

Sustainability

- ▲ Ecologically certified by EU Ecolabel

Use instructions

1. Check hygiene plan and product label for detailed use information.

recommended

2. For hygienic reasons, cleaning with gloves is recommended.

3. Dilute 25-100ml of **Renolit Clean S** with 10L water. Use undiluted for stubborn or persistent dirt.

4. Wipe surface.

5. Rinse thoroughly with clean water afterwards.

Special notes

- ▲ Only a small quantity of the product is needed compared to normal products. Proper dosage saves costs and minimizes environmental impact.
- ▲ For more information visit the EU eco-label-web-site: <http://ecolabel.eu>.
- ▲ Test material compatibility in a small inconspicuous area before use.
- ▲ For professional use only! Safety Data Sheet for professional users available on request.

Safety information

- ▲ Do not mix with any other product.
- ▲ Keep out of reach of children.
- ▲ For further information and safety instructions, see product label and safety data sheet.

Storage conditions

- ▲ Store between 0 °C and 40 °C in the original closed container only.
