Copper is the only natural element that plays a vital role in collagen formation, a connective tissue in the skin.

Only copper socks rejuvenate the skin and improve texture and appearance.

Hand-linked flat toe seams provide extra comfort and helps protect those with diabetes.

Advanced Moisture-Guard™ wicking system, keeps the foot healthy, cool and dry.
NON BINDING
non-binding yarn with spandex hugs leg without restriction | hand linked smooth toe seam for extra protection | extra cushioning option for superior comfort & shock absorption | doctor recommended for diabetes

ATHLETIC
added heel to toe cushioning for superior shock absorption | elasticized arch support for added performance | reduces friction to help prevent blistering helps control odor and rejuvenates your skin

COMPRESSIONS
graduated compression from ankle to knee (20-25mmHg) | energizing action for all day comfort | reduces swelling and leg fatigue | recommended for varicose veins, swollen legs, post surgery, and moderate edema

MEN’S DRESS/CASUAL
luxuriously soft performance spun yarn | flat seam construction for extra comfort and protection incorporates spandex to comfortably hug the foot and leg
