

DEQSTER Prime Keyboard series

Highlights

- Plug and GO via USB-C
- no pairing or charging
- splash-resistant, tamper-proof design
- dual USB-C ports for data and accessories
- full area glass trackpad
- adjustable kickstand
- stylus holder compatible with DEQSTER, Apple, and Logitech

Product Description

PRIME KEYBOARD delivers a seamless typing and navigation experience for iPad. With its reliable USB-C cable connection, it's always ready, no pairing, no charging. The full area glass trackpad ensures precise control, while the splash-resistant and tamper-proof keyboard design withstands everyday school use. Dual USB-C ports provide flexibility for accessories and data transfer. With integrated stylus holder and adjustable kickstand, PRIME KEYBOARD is built for performance, durability, and comfort.
